AN AUGUSTANA/ELIM AFFILIATION

2018 Donor Lists

**Stronger Together**

# Welcome to Cassia's 2018 Donor Listings!

In this first year of the affiliation between Augustana Care and Elim Care, we are posting **separate lists of donors for each organization**. Donors will not be listed under the Cassia umbrella until 2020, when the affiliation is finalized.

Even after the affiliation is complete, we will continue to uphold and honor our donors' local or programmatic charitable interests.

Meanwhile, we are pleased and excited to share the names of *all* our generous donors, whose support enhances the quality of life for those we serve. Thank you for helping to meet the needs of older adults and others in need socially, emotionally, spiritually and in countless other ways. We are deeply grateful to *you* for your dedication, compassion and generosity.

If you have questions or want to request 2018's financial highlights, contact us at [philanthropy@cassialife.org](mailto:philanthropy@cassialife.org).

Please note, a **downloaded Donor List PDF** contains two features that will make it easier to locate specific lists and names. These features may also be available online.

 The **Bookmarks** function allows you to click on section headers and go directly to the section. Look for the Bookmarks icon, usually found in the left sidebar.

 The **Search** function allows you to type in a name and go directly to that name. Look for the magnifying glass icon.

# Augustana Care Donors and Grantors

Donors like you are crucial to our mission, enabling us to provide housing, health care and community services throughout our communities while enhancing the quality of life for those we serve. Those listed here gave generously to Augustana Care and any of our campuses or services between October 1, 2017 and September 30, 2018. Donations support the services we provide, along with a variety of special projects. Though we are deeply indebted to donors who made payments on pledges from previous years, those donations were recognized at the time of pledge and therefore are not included in lists of contributions made during this past year.

## 1896 Society Members 2016-2019

Augustana Care created the 1896 Society in recognition of our founding year. Our goal is to honor families and individuals who contribute \$1,000 or more annually in support of our mission, inspiring others to give. We are thankful to all members of the 1896 Society for your heartfelt commitment to those we serve.

## The Elim Care Oasis Society

The Elim Oasis Society honors donors who are uncommonly dedicated to supporting our mission to serve older adults in the spirit of Christ's love. Oasis Society members may give in one of three ways: by making a planned gift and providing support for the future; employees or volunteers nominated to be recognized by others who donate up to \$2,000 in their honor; and donors who give \$10,000 or more to one of our endowment funds. Those with a † next to their names are deceased.
